A MESSAGE FROM THE PRESIDENT

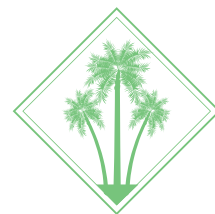

The National Academies of Practice (NAP) is the alliance of healthcare professionals who are collaborating to transform health and wellbeing. Together, with our company partners, we are dedicated to advancing health and wellbeing through patient-centeredness and inclusivity, which we believe are in the best interest of individuals and communities.

The National Academies of Practice 2024 Annual Meeting and Forum will occur at the Hyatt Regency Jacksonville Riverfront in Jacksonville, Florida - March 15-16. Our meeting title is **Synergizing Strengths: Uniting Professions for Strategic Impact**. Throughout the meeting, attendees will learn about, from, and with one another, hear from and network with exciting keynote plenary speakers, and participate in peer-reviewed professional development workshops, symposia, panel discussions, and poster sessions. The NAP Forum brings us together as a community and highlights exceptional work being done to advocate for and advance scholarship, practice transformation, innovation, and policy that enables interprofessional collaborative practice that transforms lives.

Please plan to join us. And consider becoming a sponsor of the NAP Annual Meeting and Forum. Doing so will advance our work together and align your organization with some of the best and brightest practitioners, scholars, and researchers from many healthcare professions. Our various sponsorship levels enable you to choose a level of support that works best for your organization.

We appreciate your consideration and look forward to the possibility of working with you as we continue our journey. I look forward to seeing you in Jacksonville!

Warm Regards,
Andrea L. Pfeifle, EdD, PT, FNAP
