

2026 ANNUAL MEETING & FORUM

**Crossroads of Innovation:
Shaping the Future of Practice and
Education**

SPONSORSHIP PROSPECTUS

MARCH 12-14, 2026
JW MARRIOTT | INDIANAPOLIS, IN

A MESSAGE FROM THE PRESIDENT

Greetings from the National Academies of Practice (NAP)!

We are an alliance of health care professionals who are collaborating to transform health and well-being through teamwork, integrated care, and interprofessional collaboration in practice and education.

Our profession-based academies, combined with a focus on interprofessional collaboration in education, practice and policy allows us to achieve our goal of developing the concept interprofessional “dual” identity where our members understand the unique expertise their profession brings to person-centered collaborative health care teams.

The National Academies of Practice 2026 Annual Meeting & Forum will take place on March 12-14 with a theme of *Crossroads of Innovation: Shaping the Future of Practice and Education*. The 2026 NAP Forum will feature peer-reviewed professional development workshops, symposia, panel discussions, and poster sessions.

It’s an exciting time for NAP, with the establishment of the Public Health Academy, our 17th in 2025, along with Academies in Nutrition and Dietetics (2024), Respiratory Care (2023) and Athletic Training (2022). We are a vibrant and growing organization! As a result, the last two years have seen the largest and best attended NAP Forums in our history.

Please plan on joining us as a sponsor for the NAP Annual Meeting & Forum, where you can partner with us and our members to co-create an outstanding attendee experience. Our sponsorship levels offer flexibility, allowing you to choose the level of support that works best for your organization.

Thank you for your consideration of this opportunity to help us transform interprofessional healthcare.

I look forward to seeing you in Indianapolis!

Sincerely,

Anthony Breitbach, PhD, ATC, FASAHP, FNAP
